### WHAT TO EXPECT

Your Recruiting Coordinator will provide a Zoom video conference link that you will be able to use throughout the duration of your interview. **You can find this link on your calendar invite.**

Please email your Recruiting Coordinator or Recruiter if you're having any trouble logging on.

As remote interviews are common for our candidates, please let your Recruiting Coordinator know if you would like a virtual Meet & Greet with them 5 minutes before your first interview to clarify any outstanding questions and ensure video & audio is running smoothly.

For issues with your audio and video, review these helpful articles: [Audio](#) | [Video](#).

### WHAT WE HOPE YOU'LL LEAVE WITH

A better understanding of DoorDash and our mission.

An inside look into the interesting challenges that face our teams.

Insight into why we love working here, and how our team has worked collaboratively to establish DoorDash in the on-demand logistics space.

### HOW TO PREPARE

We recommend that you explore the DoorDash product [[iOS](#) | [Android](#)] before your final interview. Successful candidates tend to be familiar with our product and can provide insight into their experience using it.

Dress for success! Treat a virtual interview as if you are coming into the office. Our office is a casual environment, so no need for formal attire.

Please sign and submit the [NDA](#) and confirm your attendance via your Google calendar invite. You only need to sign the NDA once.

Be sure to have your calendar invite and Zoom link ready 5-10 minutes before your interview.

Grab a glass of water and find a comfortable seating area with limited distractions.

### AFTER YOUR INTERVIEW

Our interview panel will debrief 24-48 business hours after your final interview, and you should hear back from your Recruiter thereafter. If you do not, please feel free to follow up with your aligned Recruiter.

You will receive a candidate survey at the end of your interview process. Please help us improve our interview process by sharing your feedback!

We are looking forward to getting to know you further, and appreciate the time you have taken to get to know DoorDash! If there is any additional help we can provide, please do not hesitate to reach out.

Thanks!
